

City of Santa Barbara
AIRPORT DEPARTMENT
PASSENGER FACILITY CHARGE

PUBLIC NOTICE

The City of Santa Barbara proposes a new Passenger Facility Charge (PFC) in the amount of \$4.50 to be imposed and used at the Santa Barbara Airport for a total collection of \$4,944,000. Estimated effective date will be November 1, 2007.

The project is the schematic design, design development and construction documents for the Airline Terminal Improvement Project which includes a new 60,000 square foot terminal building, restoration of the 7,000 square foot historic terminal, aircraft ramp reconstruction, roadway and entrance improvements, and associated parking facilities. Total cost of the Airline Terminal Improvement Project is estimated at \$63,000,000. This PFC application is for 75% of the design costs excluding revenue producing concession space.

The air carriers have been advised and a consultation meeting was held on September 6, 2006 to review and discuss the proposed application.

The Santa Barbara Airport will accept comments through October 13, 2006. Comments should be sent to Karen Ramsdell, Airport Director, Santa Barbara Airport, 601 Firestone Road, Santa Barbara, CA 93117. Email: KRamsdell@SantaBarbaraCA.gov.
